PROMOTE CELEBRATION OF Eco-Friendly Ganesh Chaturthi

@@@

It is very pleased to inform all the members of the institution that we are so keen at promoting Eco-friendly activities for the sustainment and well being of society.

As a part of Ganesh Chaturthi celebrations 2018, it is so glad that the NSS unit & Literature & Cultural Club of our college conducting ***Eco-Friendly Ganesh Idol preparative competitions*** among the students to elevate the skill and creativity of student fraternity on 11.09.2018 at 2.00 PM in CV Raman Block Longue.

The participants should register their names via HODs to NSS programming officer before 10.09.2018 and may attend the competition with their model for display on 11.09.2018.

The idols may be developed either of the following and be with more attractive and pleasant look.

- **Idols generated by clay.**
- **Idols generated by E-waste.**
- **Idols developed by Electrical, Mechanical and Automobile hardware waste.**
- **Idols developed by Machinery waste.**
- **Idols developed by Pure Grass.**
- **Idols developed by Any Other Biodegradable/ recyclable Materials.**

The Best three idols will be given awards and can be purchased by any member of the campus.
